

Lonny McDonald

The things he'll do
The things he'll say
Makes the classroom
A brighter day.

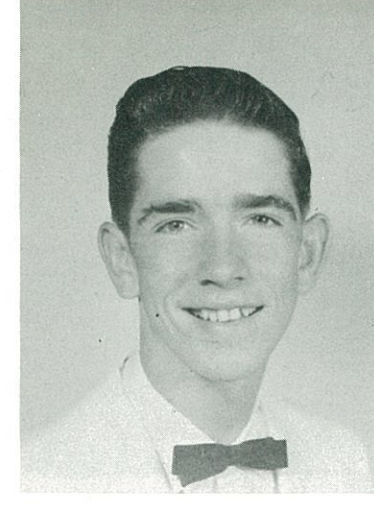

Carolyn McCallister

Here's a girl
That everyone knows
A classy dame
In fancy clothes.

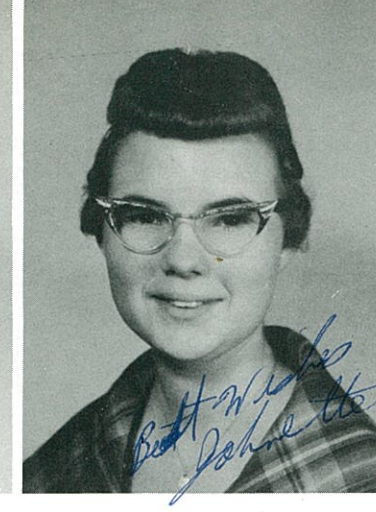

Allen Morton

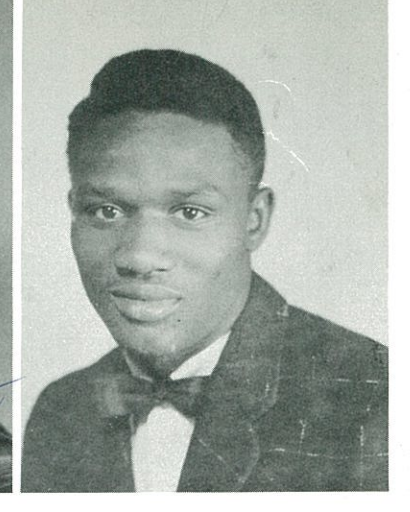

Allen plays football
In this he does excell,
Never home at all,
Tho he'll never tell.

Frank Porter
Friendliest of all,
And more than that —
A real bright student,
A real cool cat.

Johnette Ward
Cars and boys
Are her joys.
Never known to run
When one says "fun."

Cleve Robinson
This cat never stops —
Always on the move
He's way out
And in the groove.

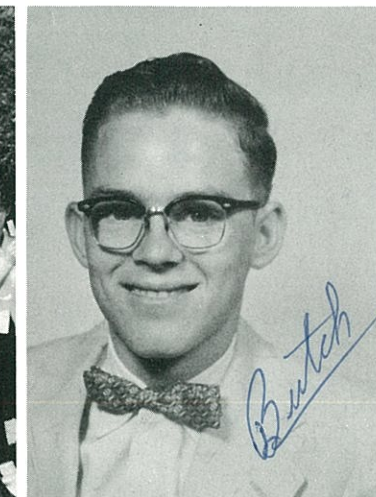

Raymond Patrick

To all the guys
He's known as "Chick"
If you need a friend
He's the one to pick.

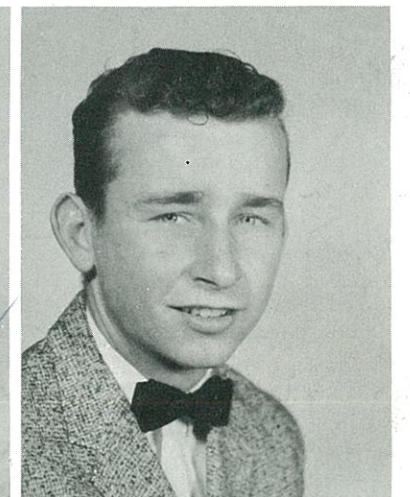

Blasa Minjarez

Blaza is very small
Known as a "living doll"
A sweeter lass
Will never pass.

James Holcomb
Here's a fellow
Hard to beat;
A finer guy
You'll never meet.

Jerry Strickland
Here's the one
We can't help but love;
With the girls
He needs no shove.
