

OUR SCHOOL ANY SEASON

DEDICATION

The annual staff wishes to dedicate the 1960 Wildcat, on behalf of the student body, to a group who has faithfully maintained the various standards of our school through the years.

This organization, though its individuals change from time to time, has, as a group, faithfully served for the betterment of our school. They have taught us, led us and maintained the entire facilities of our school. Each member is an integral and important part of the organization and the group as a whole would be incomplete without the service of each and every one of them.

Therefore, for their untiring service to our school we dedicate this annual to the entire "STAFF OF THE WINK SCHOOLS."
