

DEDICATION

Because of their faithful service to our school and their inspiration to us we the Annual Staff wish to dedicate this annual to a group of coaches who through their hard work and devotion have continued to make our school outstanding in the field of sports and sportsmanship. This has also continued to make the name "Wink" known and respected not only in West Texas but throughout the whole state of Texas.

So, in honor of this service to our student body we dedicate this "1961 Wildcat" to the
