New Gymnasium and Circular Track

Cafeteria

We, the annual staff, feel that the 1963 issue of the Wildcat should be dedicated to the team for whom this yearbook is named. These boys embody the spirit of our school. The 1962 team, and those preceding it, have gained an enviable reputation for good sportsmanship and fair play on or off the grid-iron. Usually they win, but they can lose with honor. Their winning record is surpassed by few teams of their size. The student body and Wink townspeople salute their achievement. Past performances of the Wildcats set a standard for future teams to follow.
