

To each of us the Wildcat is something different. It represents the rousing and everlasting spirit of Wink High School. The spirit that has grown and flourished through the students themselves. The spirit is the pride we feel on the athletic field as well as in the classroom. This pride swells inside us as we witness those things which mean so much to us: The broad smile of victory, the tears of defeat, the sensation of awe as the Victory march is played. As the tradition of Wink High lives on, so thrives the spirit.
