

67 WILDCAT DEDICATED TO TWO OUTSTANDING PRINCIPALS

Mr. Dorman, our primary & elementary school principal, is a person everyone communicates with and respects. He is a man who lives his religion every day. He is a model of high morals and good character. Mr. Dorman's understanding of young people and ability to listen to the students, makes him the likeable man he is. Because of his love of life, he is always in a gay, happy mood. With a man like Mr. Dorman on the staff, everyone can rest assured that the youth of Wink are in good hands.

For the past 16 years, the Wink Schools have been made richer by the presence of our dedicated principal, Mr. Dodd. Being a loyal Wink-Ex himself, he has conveyed his school spirit and enthusiasm to all his students.

Mr. Dodd has also served his city well by being an interested and outstanding citizen, and also past Mayor of Wink.

High principles, honesty, dependability, and prudence go together to make Mr. Dodd the fine man he is. Dedicating the Wildcat to him, is only a mere piece of our sincere gratitude towards him. We take our hats off to a "real Wildcat."
