

1968 Annual Proudly Dedicated to Superintendents

Nothing is more interesting than the past or as exciting as the future. This year our annual is dedicated to both; to two honored men representing the growth and achievement of our school.

Under the leadership of Wink's first superintendent, Major A. E. Lang, the school grew from a few temporary buildings to the permanent building which now forms the nucleus of our present-day system. Since that early time, the addition of a band hall, cafeteria, primary building, gymnasium, and auditorium has made our school one of the finest in the State.

Our present superintendent, Mr. Frank Barton, is dedicated to his work. He is interested in each individual in the school. His friendliness and his wisdom have made him an outstanding member of the community.

These two men and all those in between have made our school what it is today. It is for this that we say "thank you" with all our hearts.
