Business

Business courses are provided to help boys and girls attain business skills for personal use, for training for professional use, and for encouraging students with special aptitude in this field.

V. BAYLESS
Business Courses

E. STEELMAN
Librarian

E. WEATHERMON
Homemaking

Homemaking

Homemaking is designed to develop attitudes and skills useful in many areas for the present and future. It aims to train girls for a better understanding of home and family living.

Library Orientation

High School Freshmen are orientated on how to use the library easily. This way they realize the purpose and use of the Dewey Decimal classification, card catalog, reference books, newspapers, and magazines. This helps in the use of the library the rest of his school days.
