

HOW'S YOUR LOVE LIFE?

This is the cutest thing we've found yet!

A Party Everyday!

Such Nice Dreams!

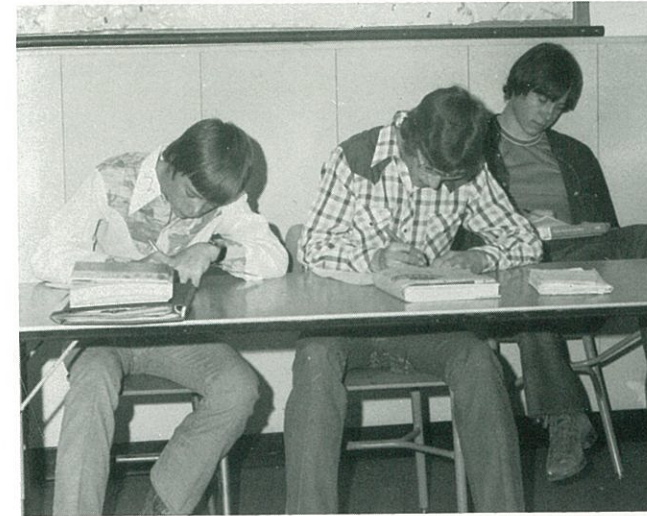

I'm reading how to make mine better!

I'm typing up Saturday Night's schedule now!

WHAT DO YOU THINK OF STARSKY AND HUTCH?

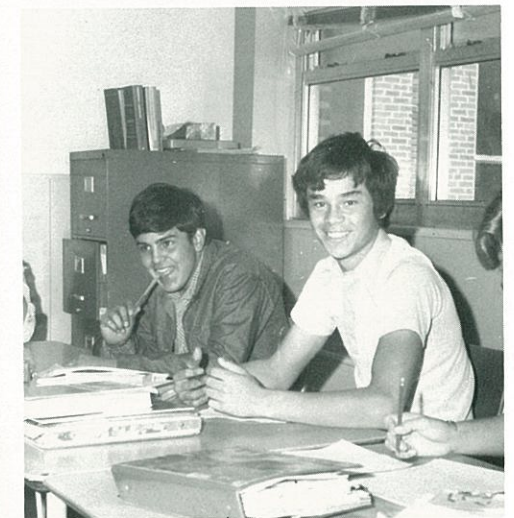

We are as COOL as they are!

They fog up my glasses!

We are waiting to be rescued!

We're their understudies!

The thought of them bowls us over!
