Proud parents parade on family night.

*Varsity Team to State Finals*

Addressing the public is one of her specialties!

Volleyball takes time, energy, and hard work, but a chance to go to Austin to play in the state finals made it all worthwhile. We gave it our best but just weren't able to pull it through this year. "Just wait for next year East Bernard!!"

The girls were well supported!

"Five minutes to go!"

Enjoying the activities!
