Homecoming Happenings

Homecoming Queen
Karen Slaughter

One of the highlights of a Wildcat year is Homecoming. It is a lot of spirit, excitement and business all wrapped up in one week. The week is started off by decorating football boys' lockers and nominating girls for queen. A lot of good friends and exes also come to help prepare the traditional bonfire. Finally it's Friday, the day of the game; the spirit mounts as the pep rally draws near. During the pep rally when the band softly plays "Victory," the seniors and some of the exes get a few tears in their eyes. Homecoming night is the climax. The queen is crowned, everyone has corsages, and the Wink Wildcats put on their helmets for a night of blood, sweat, and tears. When the game is over everyone heads for the dances and a night to be remembered.
