

## *Wink School History*

The Wink School was organized in April, 1928, at which time an independent district was formed and the first Board of Trustees was elected. This is the fiftieth year of operation for the Wink Schools.

During this time the physical plant has grown from a few wooden, sheet iron covered buildings into a modern plant consisting of nine modern brick buildings whose estimated value is over \$4 million dollars. The present plant is very adequate for the student body and does not force the crowding of classes so prevalent in other schools of the area.

The record of achievement, both academically and athletic is enviable and the pride of students, faculty and patrons.

In 1978, the Wink ISD and Loving ISD joined, creating the Wink - Loving Consolidated Independent School District.

## *School Song*

*Cheer, cheer for old Wink High,  
Lift up your hats and cheer them by,  
Send our boys out to fight,  
We're going to win this game tonight.  
All though the odds are great or small,  
Old Wink High will win over all,  
As our loyal sons go marching  
Onward to victory.*

*Fight!  
Fight!  
Fight*

## ATHLETICS
