In any crowd this girl stands out, her beauty has no match. A treat for any guys eye that she happens to catch.

In every respect he's an A-1 guy and will always be friendly as the days go by.

He's the type of person we all like to know, and because of this trait he's without a foe.

**Gary Inskeep**  
With his nice manners and personality to match, he'll make a good catch.

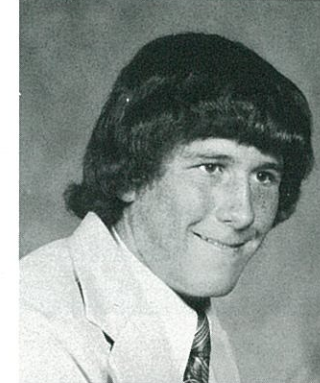

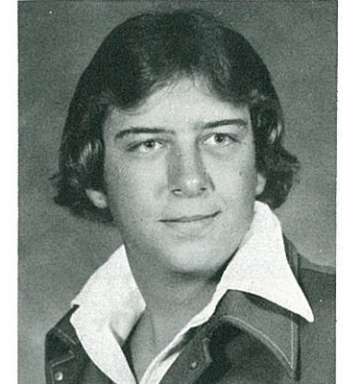

## Don't look back

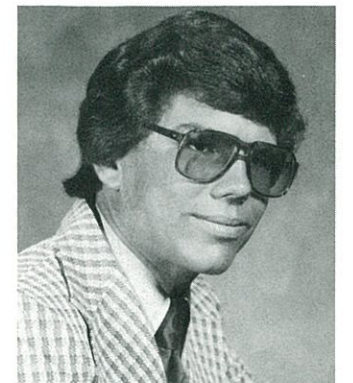

**Vern Jones**

He was born to be a clown, and has never once let us down.

His nickname is Itch, and he's noted for same. With his boxing ability, he'll surely gain fame.

**Debbie Shifflett**  
This lass is always laughing, and can be heard all around; Debo's quite a gal, as you can tell from the sound.

She is friendly to every one she happens to meet, as an all around girl she can't be beat.

**Chris Wilson**  
As the guy with a gripe he's known to all; but his talents include playing good football.
