Cats That's You!

Don't it make my brown eyes blue?

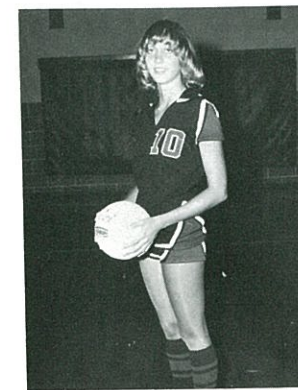

A fruitfly epidemic began in Lubbock, thanks to this gang.

The Wildcat Volleyball team won District by defeating Imperial in a playoff match, then they went on to beat Water Valley for the Bi-District Championship. These girls won the Regional Tourney by defeating Harrold and Ft. Davis in two, three game matches to earn the right to advance to the State Tournament. The Wildcats were defeated in the first match at State, but we are all still proud of them. Being one of the top four teams in the state is quite an accomplishment.
