

Wood Shop

Steadiest hand in the west!

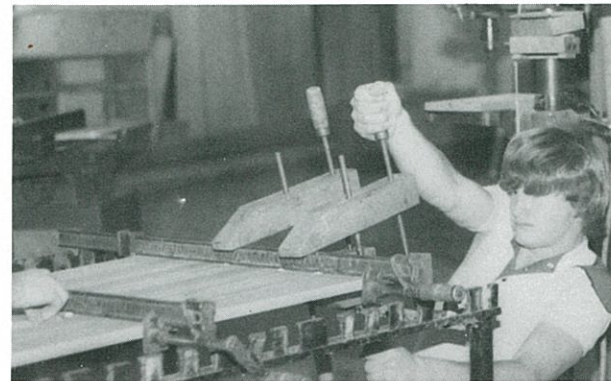

Who did that to my board?

Just think, I built it with my own little.

Do you think Mr. America started this way??

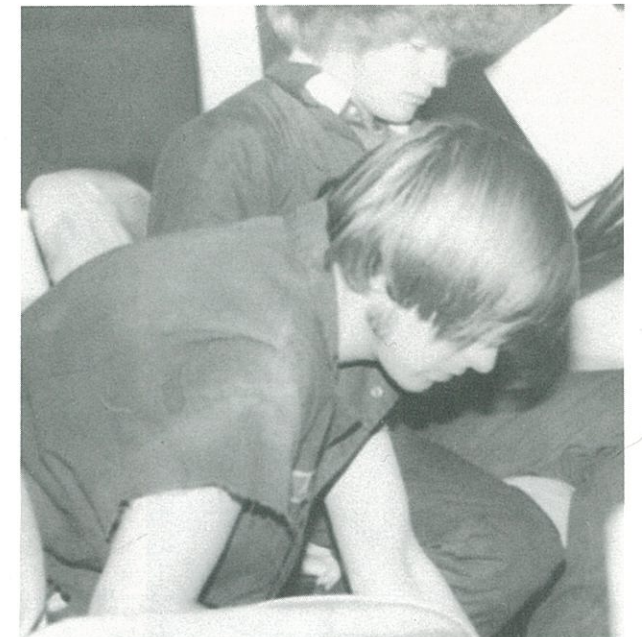

Sure hope mommy likes her cabinets.

What's yours? Mine is coke and

Winkler County Zoo!!

The instructions are here somewhere.

This gizmo goes on the whatchamacallit . . .

So that's where it goes!

Power Mechanics
