Coach Hill

The Volleyball team wouldn't be where they are today without a coach, and the Wildcat Volleyball team is fortunate enough to have one terrific lady as theirs. She is a leader, a teacher, and a friend all in one. She is there when she is needed, and will help the players to polish their performance to perfection. She cares for each and every one of her players individually, for what they are, not for what she wants them to be. She believes in being Number 1 all the way.

So on behalf of the Wildcat Volleyball team, we thank Coach Paula Hill for being there when she was needed, for sharing her skills with us, and for standing beside us through victory and defeat.
