

# What Does It Mean

Being a wildcat is hard to explain. If you asked the 420 people enrolled in the Wink schools, you would come up with 420 different answers. Sitting around in the parking lot waiting for classes to start; taking tests; getting a burr haircut; looking for that lost library book; cheerleading; being homecoming queen; playing football; being the only one in typing class; showing off a little; and on and on would all be answers. They would all be right too! Being a Wildcat is everything!

# To Be A Wildcat?
