The Lady Wildcats of "83" had an outstanding season; as their record shows. They won all 3 tournaments they entered, which had never been done at WHS before. They ended the season by being defeated at State with a 29-6 record, but have a lot to be proud of. This team worked hard for their accomplishments and have just one thing left to say, "Watch out Bronte, the 'Cats will be back next year-better than before!"
