

# The Tradition Lives On

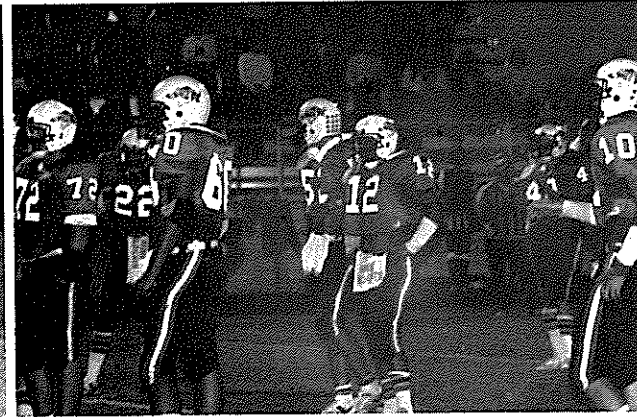

The 1983 Wildcats started the season with non-district victories over Van Horn, Greenwood, and New Mexico's state AA champ, Jal. Then they wrapped up the district championship by going undefeated in seven district games.

In playoff action the Cats dropped Ft. Hancock, Roscoe, and district runner-up Iraan. Knox City stifled the Wildcats dream of a State return against Bremond with a couple of controversial TD calls during the semi-final contest. Nevertheless, the Greyhounds went on to win the State title by defeating Bremond 26-20.

Offense

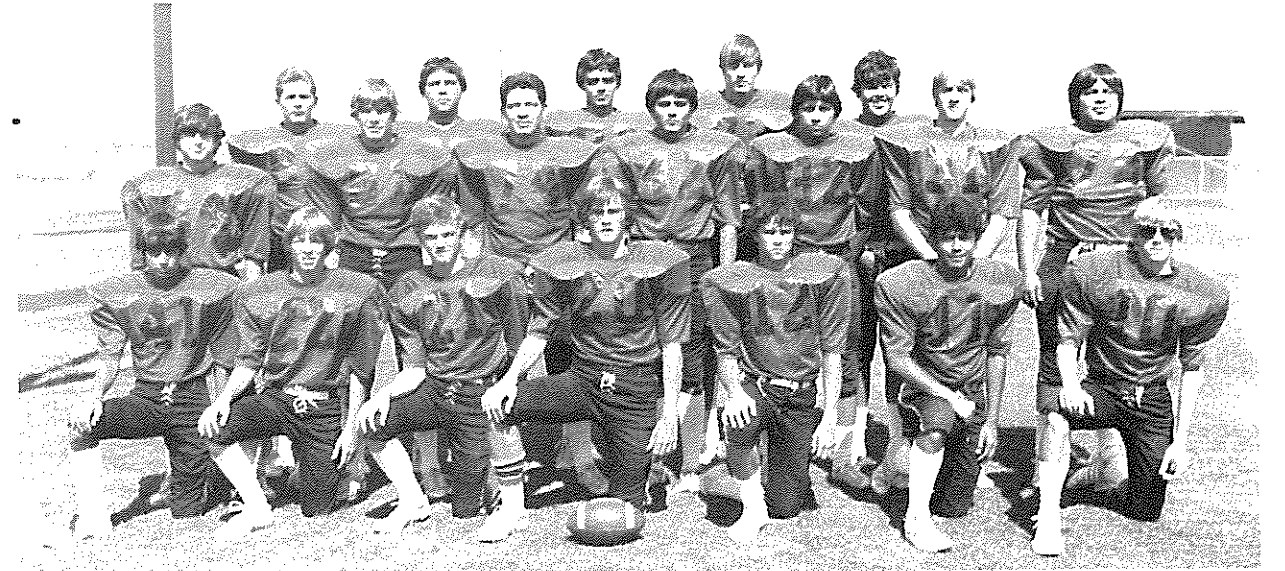

Defense

This marks the third year in a row the Cats have advanced to the play-offs and have compiled an impressive 38-3 record during that time.

Wink showed much enthusiasm, spirit, pride, and determination during the season. Even though it ended shorter than the team and fans had hoped, the Cats are still NUMBER ONE in everyone's hearts.
