## Teachers Work Hard To Keep The Which Makes It Easy On The Days Running Smoothly Students!!!

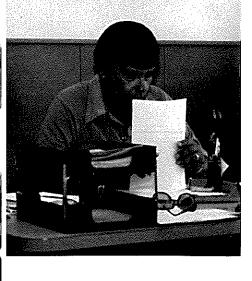

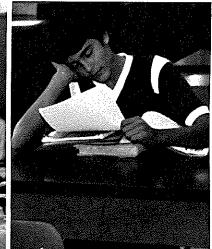

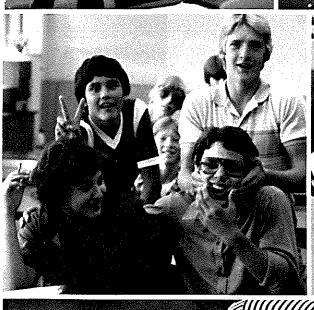

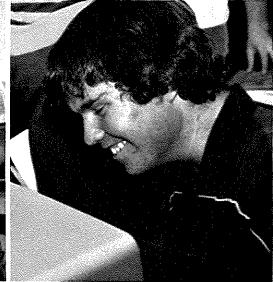

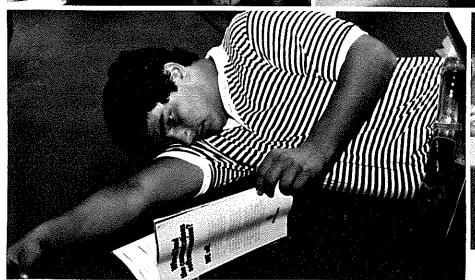

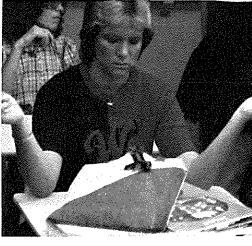

Sometimes it seems that athletics is all school is, but at Wink that's not true.

Students take pride in classroom work and activities.

Without dedicated teachers, where would the students be? As a matter of fact, where would the world be without

These people give of their time constantly to prepare stu-

Teachers are more than "information dispensers." They are counselors, directors, discipli-

they are also friends.

educators?
