

# Journalism *It's Harder Than You Think*

*Sitting: Terri Bradeen, Michelle Muensterman, Karen Eggleston, Jeane Barger. Standing: Wayland Thomas, Claud Rives, Sandy Victor, Kim Mitchell, Leticia Rodriguez, Jesse Moya, Corina Cobos, Donny Ridgeway, Leslie Mitchell, Yolanda Cobos, Boyd Calvert, Gary Henderson, and Nancy Scott.*

*Journalism is more work than most people think. The main project of this class is doing the yearbook. The class learns to take and develop pictures early in the year and then later learns how to design layouts for the yearbook. In spring the class puts out a school paper and in May, the supplement for the yearbook is done.*
