

## 1984-85 Annual Dedication To:

### *In Memorial of Martha McGehee*

*We all truly miss Mrs. McGehee, a wonderful lady and teacher. She brightened our lives and improved our minds and we will never forget her. Mrs. McGehee was not only an excellent teacher, but also a true friend to all she came into contact. She gave many first graders a good start in school. She taught a total of 25 years and 13 of those years were in the Wink schools where she taught first grade.*

*The annual staff also wanted to honor three educational leaders who retired last year. We owe them our thanks for their many years of service to the Wink schools. Even though they have retired, you can still see the results of their hard work and dedication in the students they helped through the years. They were a teacher and friend to many students.*

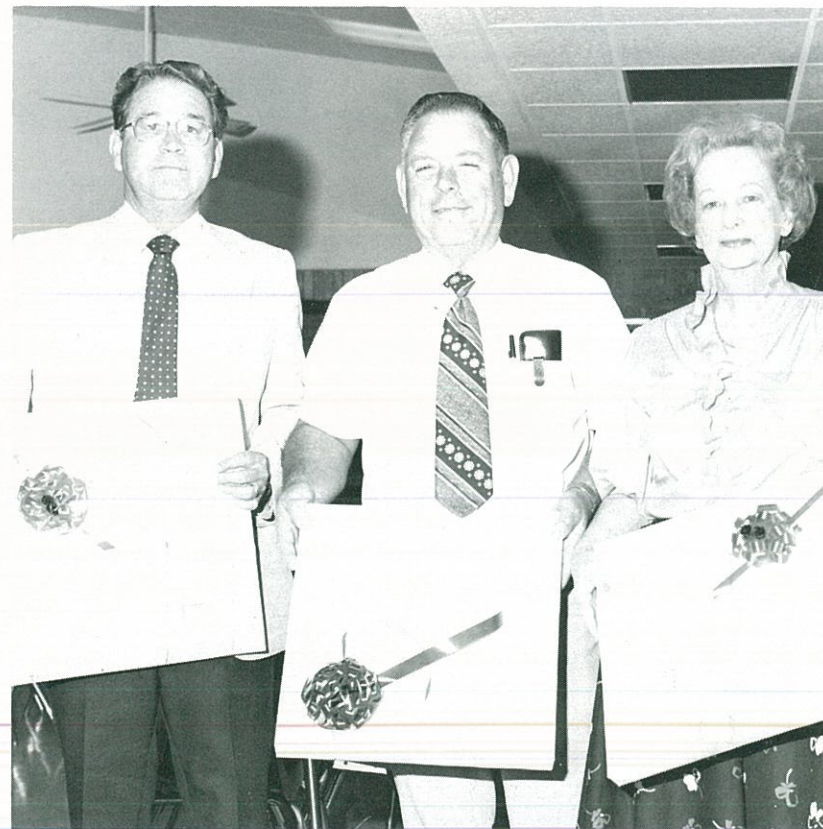

*Eileen Triplett  
Johnny Whiteaker  
Jack Dorman*

*Eileen Triplett taught 35 total years and 28 of those years were here in Wink. She has taught second grade and high school English.*

*Johnny Whiteaker taught a total of 31 years as band director and 28 of those years were in Wink.*

*Jack Dorman served Wink schools as teacher for 4 years and then as principal for 31 years.*

*Wink students and teachers want to thank these individuals for their contribution to our school.*

*Autographs*
