

REACH SEMI-FINALS BY

COACHES

The 1984 Wildcat football team enjoyed a very successful season. They advanced much further than any of the pre-season polls predicted. It started with victories over four larger schools. They defeated Van Horn, Eunice, Jal, and Marfa. The team completed District play with a perfect record with successive victories over Rankin, and Iraan. This was their pre-season goal.

The Wildcats took a perfect record into the play-offs to face Anthony for Bi-District. They then fought a tough Forsan team to win the fourth straight Regional crown. The next step was a hard fought victory over a surprising Robert Lee team to win the Quarter Finals. The dream that had eluded them for three straight years was again in sight, but ended on a cold, icy night in Colorado City, when the Munday Moguls defeated the Wildcats in their fourth attempt for a state title.

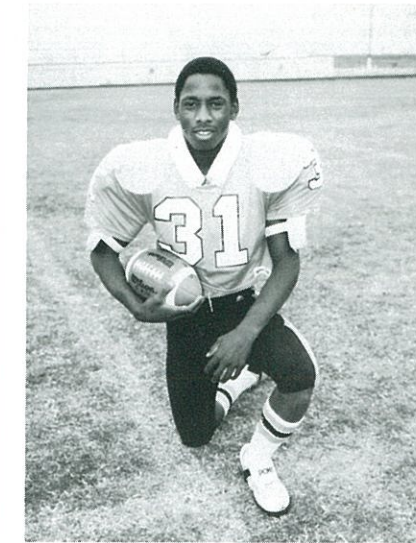

Standing: Coach Danny Carrillo, Coach Mike Crawford, Coach David Burnett. Kneeling: Head Coach Robin Byrd.
