

Service And Dedication

Mr. Barton Heads Wink Schools For 26 Years

For nearly forty years the Wink School System has been affected by the personality and dedication of Frank Barton. The school has reaped the benefits of the loyalty of a man who has spent his entire career here. Under his leadership the physical plant has undergone many innovative changes, the faculty and staff have enjoyed supportive supervision, and the students have been instilled with Wildcat spirit.

Mr. Frank R. Barton joined Wink Independent School District in 1949 when he was employed as a junior high football coach. He has been principal of Wink Elementary School, high school assistant and head football coach, and high school principal. Mr. Barton took on the duties and the responsibilities he holds today when he became superintendent of the Wink Schools in 1960.

The Annual Staff of 1985-86 would like to dedicate this year's Wildcat to Mr. Barton in appreciation of his years of service.
