

Jr. High Basketball

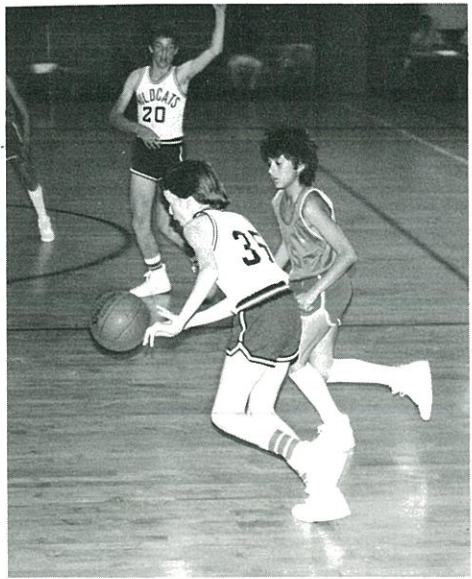

Front row (L to R): Shane Wilton, J.R. Glenn, and Troy Ratliff. Back row (L to R): Lorenzo Valeriano, Coach Terry Hill, and Brett Jacobsen.

When Coach Hill, the new Junior High basketball coach, was asked what he felt about the team, he said, "It was a unique year when we started. I thought we would have a good year. We did but a little different than I expected. The players that stayed with it showed me that if you want it bad enough and really work at it, you can win. All these guys can be great players in the future."

"Shoot if your sure"
