Band . . . Play And Work!!

Band started a little slow this year. The band had to get used to a new band director and vice versa. There were some changes.

One change was adding a rifle corp. There are four rifles, Senior and Captain — Wendy Davis, Junior — Salina Jones, Sophomore — Melissa Lee, and Freshman — Sonia Lopez. The proud wildcats were under field direction of Junior — Drum Major Amy Landry. Assistant to Amy,

was Senior — Joely Mohler.

On October 28, 1986, Wink Marching Band went to marching contest. The contest was in Crane. They left with a Division II, a definite improvement. The band director, Mr. Russell Fuller, commented, "With a couple of years and some good students, the band will be a Class A, Division I band!"

The students feel good about the rating at contest. Last year the band came home with a Divi-

sion IV. One student was overheard saying, "I love this school! Everyone works as a team. They are dedicated, in band, volleyball, football, or whatever they are doing."

The wildcats go where the football team goes, cheers on the team, and entertains the fans during halftime. The people are dedicated, and love what they are doing. In a few years the band will definitely be a good one!!
