

# Student Council & F.H.A.

Future Homemakers of America members are getting ready for the Halloween Carnival. F.H.A. is all about cooking and sewing, but this is not all. F.H.A. is learning how to help others and how to help themselves. When work is finished, every-

one gives 110% of their time and patience. The F.H.A. officers are really dedicated to their work. It is up to the officers, for the members to work hard.

Student Council members worked very hard for the position they hold.

They proved leadership, loyalty, and honor. They don't sit around, they get the job done. Student Council is reaching their goal.

NOT ENOUGH BOYS!! Amy Landry and Joely Mohler are dancing together, since the boys don't want to dance!

How can Rosa sell cakes, when she's in jail? Even though Rosa was in Jail, the F.H.A. sold enough to pay their dues.

DANCING THE NIGHT AWAY!! The Student Council and the F.H.A. planned this fantastic dance.

The F.H.A. members are getting ready for the Halloween Carnival. They're deciding to have a bake sale.
