

Blood, Sweat, And Tears, V. Football

Shoulder pads colliding, cleats digging in the turf, fans reacting to every play, and the Wink Wildcats winning it again! This was a typical scene for the '86 season.

They had a "so-so" season the year before and they made up their minds that this year would be different!

The players worked extra hard and always gave 110%. They worked together more as a team; they had more unity. Each person was always there to lend a hand. The team was so close they all joined together and got a "Boz."

All the extra effort and the grueling pain paid off. It took the Cats on to the Bi-District Championship with a final record of 8 and 4.

They provided the fans with an exciting season of bleepers, bloopers, and blunders. And next year will be even more of the same winning tradition and positive attitude!

Shane and Sean Beeler aggressively tackle an opponent. Other teammates moved in for the kill.

At the Football Banquet, hosted by the fire department, the coaching staff presents Eddie, Runt, David, Sean, and Jeff with outstanding playing awards for the 1986 season. They were chosen by fellow teammates.

Coach David Burnett and the team proudly display the District trophy. They won the District title against the Anthony Wildcats by a score of 50 to 12.

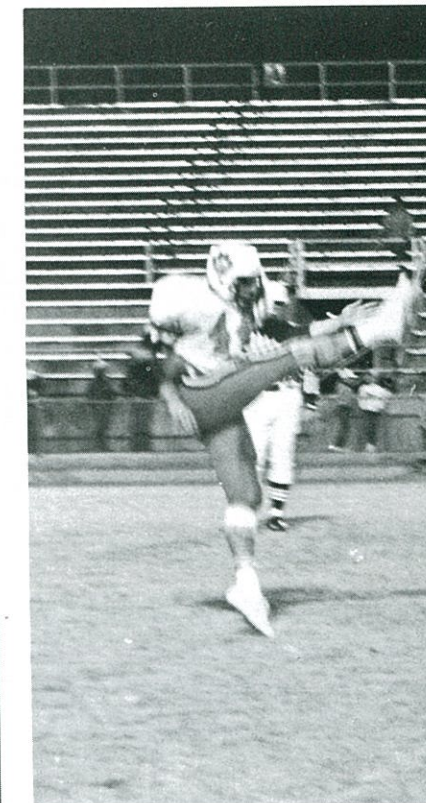

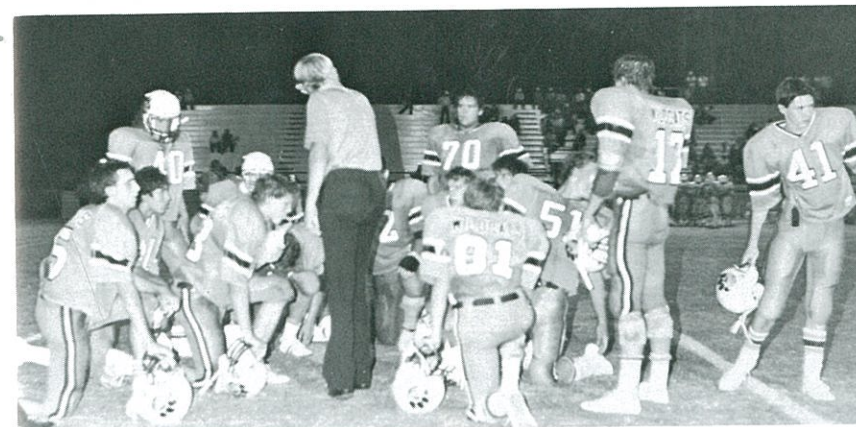

Bryan Kenyon smoothly and quickly gets past a mob of "imposters." He was a big part of a successful game against the Anthony Wildcats.

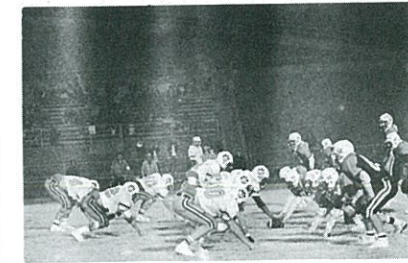

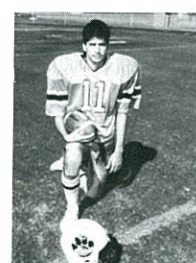

Coach Mike Crawford gathers the team during time out to plan their strategy for the next set of downs. The plan worked to get them their first down.

Jeffrey Jones puts another one up into the lights. He was named All-District punter for the year.

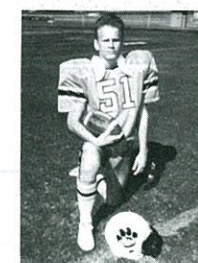

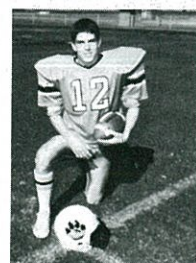

Mr. Carroll Eggleston accurately figures the statistics within the closing minutes of the game. He has faithfully kept records for all sporting events for eight years.

Number 40, David Walker, brings down a Plains Cowboy. He introduced the Cowboy to the meaning, "Another one bites the dust."

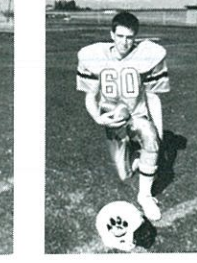

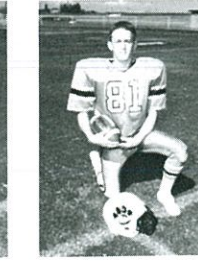

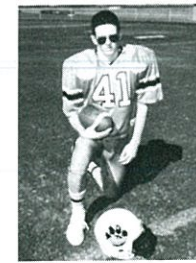

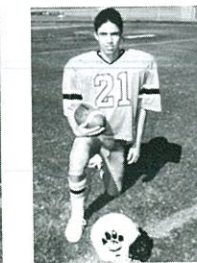

The Plains Cowboys line-up to face the fearless Wildcats in the Bi-District match. The game was a tense and exciting one with a final score of 12-11; the Cats the victors!
