Behind The Scenes

Barbara Richardson is our school counselor. She has helped many students when they needed help.

Doris Dodd is the school nurse. She takes care of the sick and checks students' ears and eyes.

Johnnie Garcia faithfully raises the flag as he has done everyday for 28 years. His quiet dedication makes life easier for everyone associated with the school.

Sharon Winn is the school librarian and she also teaches classes. She keeps the library running and makes sure we have books and magazines to read.

Yvonne Ratliff, Lorena Grubbs, Cindy Enriquez, Dorothy Carroll, Faye Eastman, Barbara Dossey, Lois Wright, Ann Bustamante, Brenda Berta, Jan Brewer, and Cindy Weber are our cafeteria ladies. They make sure that the students and teachers have something to eat while at school.

Peggy Adams, Brenda Stewart, Katherine Wicker, Johnnie Garcia, Pat Sharp, Harry Sharp, and Rudy Rodriguez are our school custodians. They have been a big help to our school by keeping it clean and running.
