

There was a great turn-out at the 1988 students All-Sports Banquet. One hundred and fifty students, family members, and members of the Lions Club enjoyed the special evening. Merit Awards were given to students in appreciation for their hard work all through the year. Everyone enjoyed their dinner and the awards highlighted the evening. Coach Dawell Criswell was given a plaque for his years of coaching Wink High School. He is now the new full-time student counselor. The most prestigious award of the night, the Greatest Wildcat, was given to Veronica Serna, Danny Carroll, and Jeff Jones for their participation in activities at Wink High School. This class was unique because there were three well qualified for a title which is usually given to only one senior.

Everybody is ready for the banquet to get under way. The awards highlighted the evening.
