

## Final Moments For 1987 Wildcat Football

On February 15, 1988, the Wink Volunteer Fire Department honored the Wildcat football team with a banquet. The banquet capped the 1987 season, and seven Wildcats received eight special awards. Selected by their teammates as outstanding offensive back were Bryan Kenyon and Jeff Jones; outstanding defensive lineman was Eddie Brewer; outstanding offensive lineman, Danny Carroll; outstanding defensive back was Tony Roach; and the 110% player was Sean Beeler. These Wildcats stood out among the rest, and provided the base for the Wildcat's success in 1987.

During the banquet, several groups were recognized for their support of the team. Among those recognized were the cheerleaders, coaches, the coaches' wives, and the J.V. football team. Also recognized for their contributions to Wink High School football were the senior players. Although it probably wasn't meant to be, it seemed at one point to be a "farewell" to Coach Burnett's "first" team.

The banquet turned out to be a night of appreciation for everyone. About 150 people attended, and gratitude was expressed to the football team and also to the firemen.

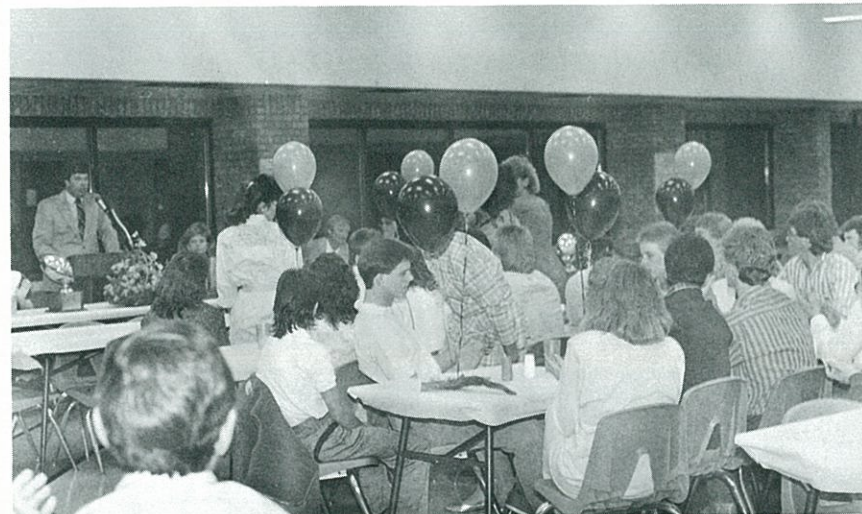

Here the eight senior football players and the cheerleaders are shown after the presentation of the roses to the seniors. They were recognized at the banquet as the people who "made it happen."

Coach Burnett speaks at the banquet and expresses his appreciation to all who contributed to the 1987 Wildcat season. Several groups were recognized, and all played a major role in the Wildcat's success.

Each year the firemen give an award to the players who they think were the most valuable to the team. The award was presented to Bryan Kenyon as the most valuable offensive player, Danny Carroll as the most valuable defensive player, and Runt Dishop as the most spirited player.

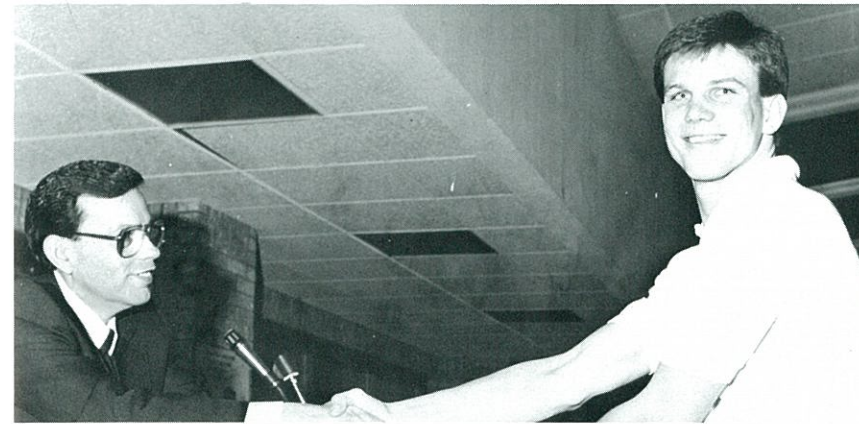

Wink varsity cheerleader, Alisa Gray, presents Danny Carroll with a single rose. Roses were given from the cheerleaders to the senior football players as an expression of their support.

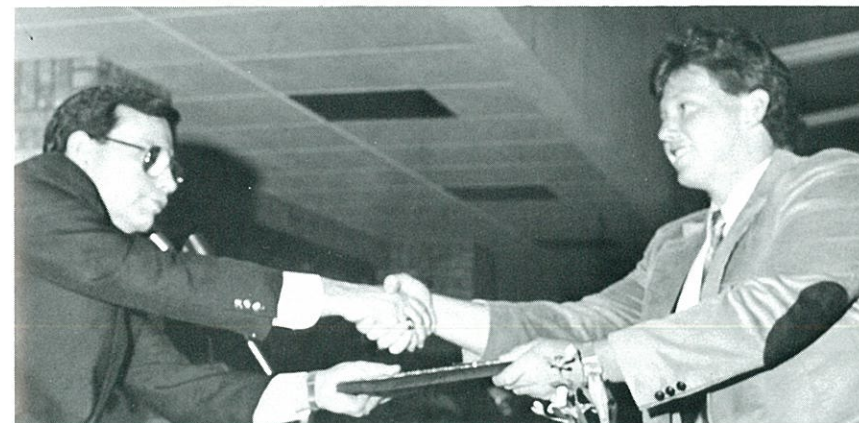

Jeff Jones and Bryan Kenyon receive the award for outstanding offensive backs. The award winners were selected by team members' votes, and the offensive back balloting ended in a tie, resulting in two outstanding backs.

Sean Beeler accepts the 110% award from Coach Crawford. Sean played through the year with a few serious injuries and always gave 110%.

Coach Carrillo presents the award for the most outstanding offensive lineman to Danny Carroll. Danny was a standout on the Wildcat line, and his hard work was noticed by his teammates.

Eddie Brewer receives the award for outstanding defensive lineman. Because of his outstanding play, Eddie received this and many other awards.

Coach Criswell congratulates Tony for being voted to receive the outstanding defensive back award. Tony was a major asset to the Wildcat defense, and was always there when he was needed.
