

## Spring Fever Basketball, Track & Tennis

Hard working, determined, and willing to win was what the Jr. High basketball team was. The most important goal the team had was to score in every game they played. The Jr. High was a young ball club, but they didn't let that stand in the way of their goals. They were determined to play in every game even though they didn't win. However, success can be measured in achieving goals and they did that. They didn't fail to score in any game. The Jr. High tennis team only participated in one tournament which decided the district championship. In the boys division there were three people who played in the tournament. Andy Soltero, Andy Heredia and Gilbert Hernandez were beat out in the first round. In Fort Stockton the girls division there were two teams that participated in tournament. The doubles team of Twila Collins and Jessica Martinez took 1st place in the tournament while the team of Geneva Isbell and Amy Soltero took 3rd place. The tennis season was a good learning experience for all the athletes. The track team also participated in many meets including the district meet. There were 7 boys who placed in the meet: W. Davis, G. Hernandez, K. Lofgren, L. Mangum, B. Northcutt, R. Salinas, and A. Soltero. There were also 11 girls: A. Adams, D. Carroll, G. Isbell, S. Jones, L. Morrufo, J. Martinez, C. Roman, A.
