

The 1988-89 Homecoming game was a great success! The weather was perfect and the team was fired up! The homecoming queen nominees were Erika Berry, Niki Franklin, and Melissa Lee. They were very honored to be chosen and felt very proud of the team after a victory over the Iraan Braves. Though cut a little close, the Wildcats gained a 27-28 point victory. It was a hard fight, but the Wildcats were ready to win.
