

*Brian James

As Time Goes By

*You came to us a few years ago
Your heart filled with warmth
And your eyes all a glow*

*Your friendship was special to all that
knew
You always had more to give
So our friendship into love grew*

*You made us laugh while you were
here,
Now that you are gone
Our hearts fill with sorrow — our eyes
with tears*

*We'll miss you Brian 'till the day we
die
And we'll keep your memory with us
Always-----AS TIME GOES BY.*

*We'll remember the days together
We'll never forget the days apart
Most of all, from your friends to you,
We'll always remember where you belong —
In our heart.*

For those of us who knew him, it is easy to imagine him cruising the streets along side his hero — James Dean. For those who never knew him, he really was that cool.
