

U.I.L. (Unique, Intelligent, Learned)

1989 proved to be an exceptionally good year for the Wink U.I.L. high school students. Overall these students gave W.H.S. second place win at the District Meet, and almost each one of them went on to compete at Regional two weeks later.

This place is like a maze! You come in here, and you go out there.

These guys are taking a break before they have an intelligence overload.

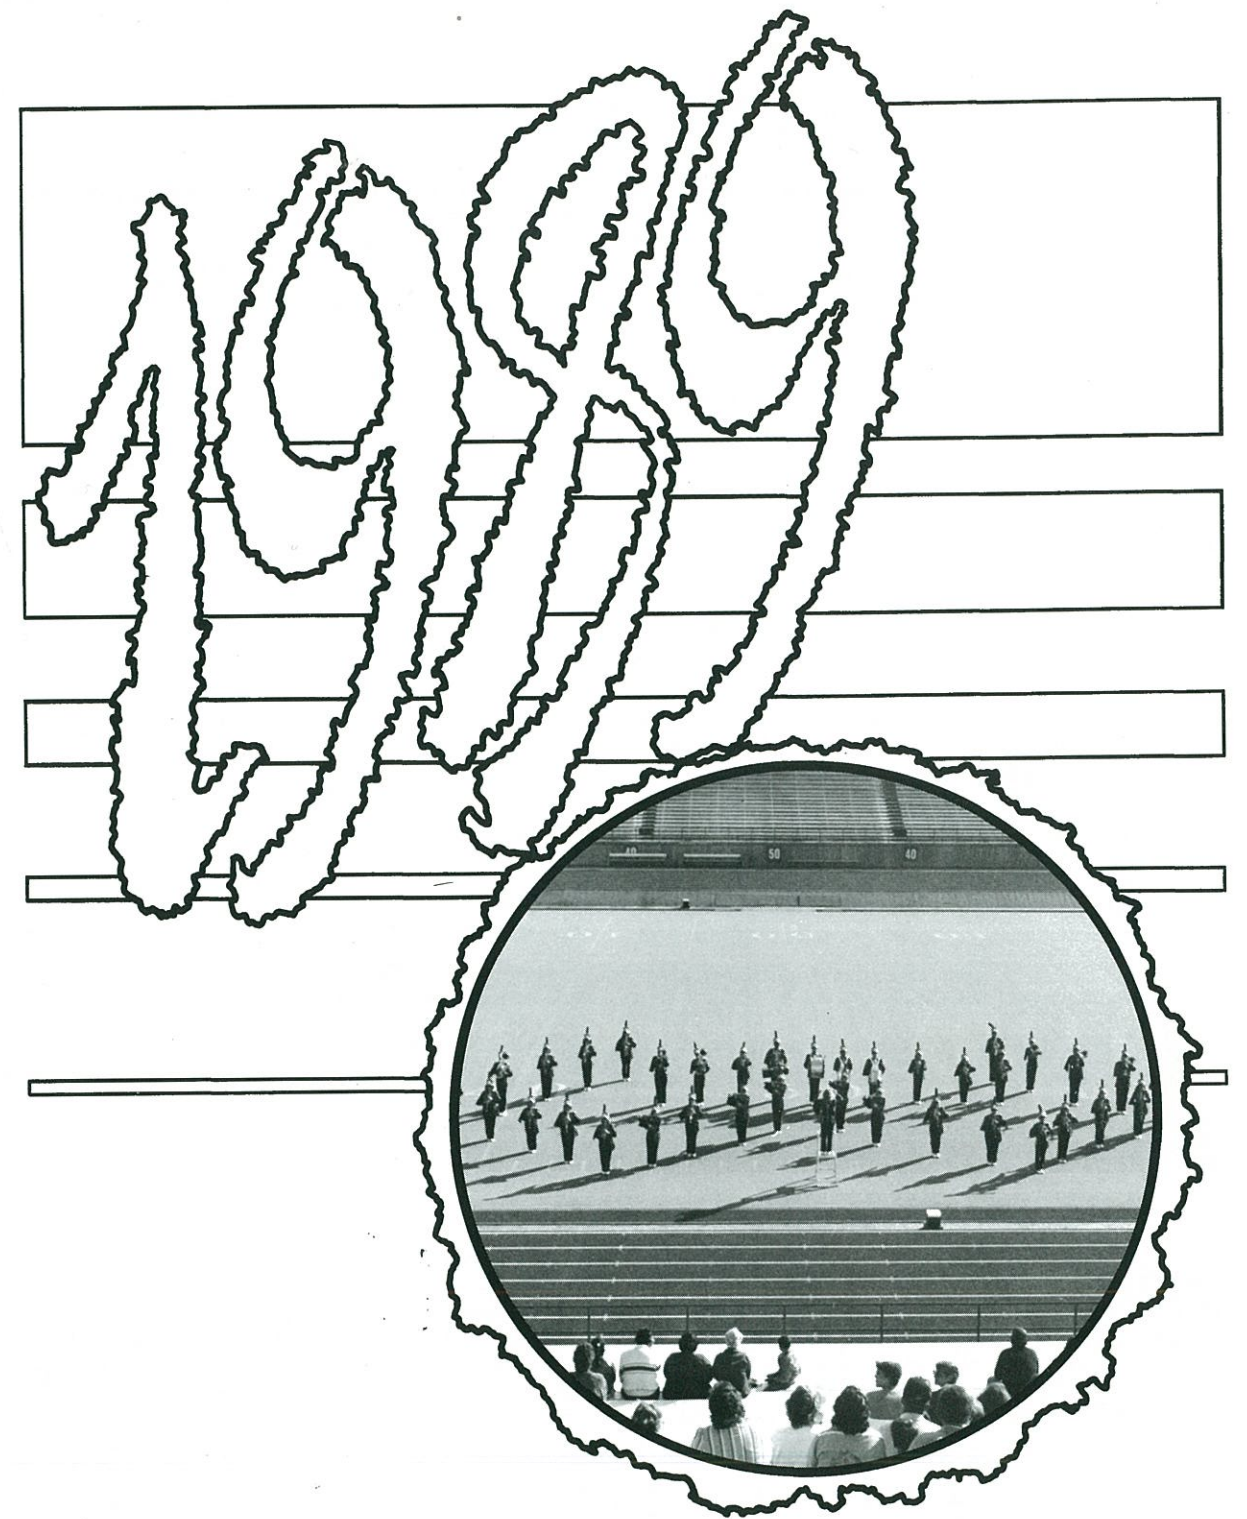

Horray for Amy. She won first place in Freshman Oral Reading.

This smart group of kids competed in the Business and Math & Science events: Melissa, Erika, Rudy, Melissa, Terry, Kelly, Earl, Corina, and Petricia.

These students competed in different events having to do with their writing and speaking abilities. Michael, Melinda, Tommy, Stacy, John, Geniva, Brett, Kelly, and Tommy.

These four students went on to compete at State. They were Kelly J., Melissa H., Terry W., and John M. Their proud sponsors were Mrs. Roensch and Mrs. Winn.
