Wildcats Say No To Drugs

The 1988-89 school year found the creation of a new club at Wing High School. The "Just Say No" Club, was started here by our Guidance Counselor, Mr. Criswell. It is set up to teach our students the value of saying "NO" to drugs and alcohol. Let us hope that in the coming years the influence of this club on the younger students of our school is a positive influence that helps to curb the use of drugs and alcohol.

This is a photo of every single member of the "Just Say No" Club.

The "Just Say No" Club officers were Brett Jacobsen, Historian; Kristi Jones, Treasurer; Alisa Gray, President; and Junior Cobos, Vice President.
