

Jr. High . . . Beginning Of The Winning Tradition

Coach Nichols' comments on the 1988-1989 basketball team were: "The Junior High basketball team did a fine job this year. They worked very hard and improved every week of the season.

They came a long way from last year when they didn't win a game, but they kept on working and it paid off for them."

"If they continue to work the way they have this year, their future will be very bright for them."

Coach Thomas' comments on the 1989 track team were: "Our track team was a young team, composed mostly of seventh graders. We did not score lots of points, but when we got to compete against seventh graders, we finished second, only a couple of points from first. Next year we should have a strong team.

We will miss our eighth graders- Frankie Warner, Oscar Glenn, Bill Mohler. Coming back next year we will have Vonzel Shuler, Tommy Smithhart, Shane Haynes, Carlton Gillette, Peter Lara, Mike Miranda, Mike Roundtree, and Davia Sollis."

Coach Harris' comments for her track girls were: "The 1989 Jr. High girls track team consisted of eight athletes- three eighth graders, five seventh graders, and two managers. Because of the small number of girls out, we were unable to win any meets. However, the girls consistently placed in the top three of every event entered. They also demonstrated a great deal of pride and dedication to their sport. I appreciate their hard work and I am very proud of their accomplishments."

Shane Haynes clears the bar to advance to the next height.
