

## Checking In!

With the beginning of school new faces are being seen. New students are entering high school and new students are entering junior high. The Seniors, scaring freshman and junior high just being scared.

Also, new classes are here, too. Such as activity period. This is where the students get to sit in the cafeteria to eat and gossip between classes.

Eighth graders show their enthusiasm as they pose for a picture.

Too cool for words to be said.

"Go ahead! Make your move!" Christina threatens April as Phillip cheers her on.

When the camera took this one, everyone was undecided on a facial expression and Sonia seemed to agree.

"Ladies and gentlemen, the Wink Wildcat Marching Band!"

"Am I bad or what?" Brett Jacobsen asks as he poses during activity period.
