Drug Free

TMA

The 1989-90 school year saw the second year of the "Just Say No" club. It's set up to teach the students the value of saying "No" to drugs and alcohol. Let us hope that in the future the influence of this club on the students of our school is a positive influence that helps curb the use of drugs and alcohol.

The Jr. High and High School "Just Say No" club is seen thinking of another name for the club.

After a prosperous meeting, these enthusiastic faces went from activity to third period.

Mr. Dawell Criswell is the sponsor for the "Just Say No" club. The High School students invited the Jr. High to their "Just Say No" meeting to help think of a new name for the club.
