

# Marking Time

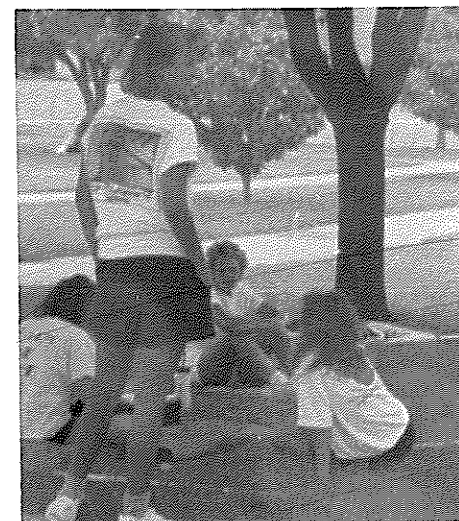

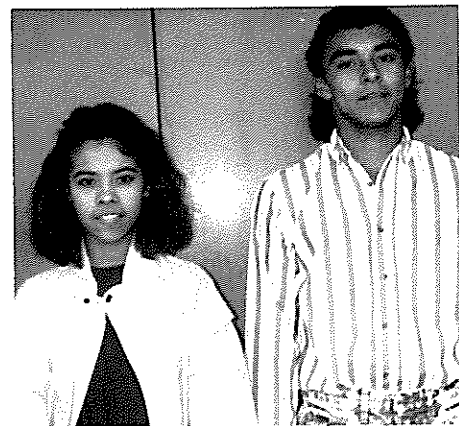

The 1989-90 Wildcat Band was under the direction of Mr. Mike Neel. Mr. Neel drove the flags and drum major to the San Angelo State Band Camp. He also took the band to Marching Contest at Ratliff Stadium where they received a Division II.

In May, they went to Crane for concert and sightreading contest. They earned a Division II in concert and a Division II in sightreading.

This year the band had a new support group, The Band Boosters. They sold and delivered Mexican dinners to earn money to honor the band with a banquet. They also held a pancake supper during Public School Week.

Adria Shuler and Stacy Maddux show their interest in the scoreboard at the homecoming football game.

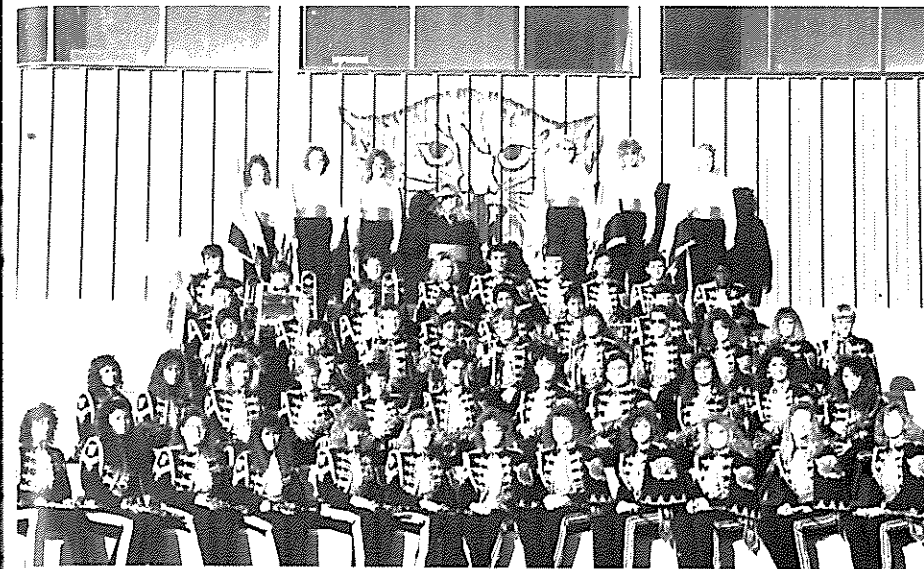

The band favorites for this year are Andy Soltero and Mayra Valeriano.

The flags went to Angelo State Band Camp this year. They learned to work together as a group and returned with many great ideas. Angie is thinking of ideas for their performance at flag camp.

At the homecoming football game the band moved onto the field to honor the homecoming queen nominees.

After the band marched over to the field, the drums and flags stood in line while the rest of the band moved into position to play the Victory March before each home football game.
