Lucy Valenzuela makes a concentrated effort to jump over one more hurdle.

The 1990 girls track team did a great job! Coach Harris seemed very pleased that these girls had the dedication it took to succeed.

Two of the girls that contributed their "all" were Stephanie Maddux and Marti Carlton. But without any of these girls there wouldn't have been a track team. Even though some of these girls had a tough time getting started it will help them prepare for high school.

Stephanie Maddux takes time out of her field events to show us her big smile!

The 1990 Jr. High Girls track team included; (kneeling) G. Wilson, K. Carrillo, S. Parham, and T. Jaquez. (Standing) Coach Harris, C. Henderson, S. Maddux, L. Valenzuela, E. Jones, M. Carlton, and Mgr. S. Gonzales.

For The Jr High

This year the boys had a very impressive season! they had a good year in several ways. One by winning the overall track meet several times and the others they were runners up. Another good quality about this years team were the athletes. Two of them were eighth graders. We are confident enough to say that Coach Thomas was very pleased in their performance. These guys were Shane Haynes and Vonzel Shuler, but without everyone helping out there wouldn't have been a track team.
