

Speeding Ahead

Cars are an essential element in student life. They provide many people with transportation to and from school. There is a wide variety of cars at school to meet different people's tastes. There are also special feelings associated with cars. Some people think that their car is "the best looking." Others feel that theirs is faster than everybody else's. Whatever the reason a student drives a car, it usually serves an important function in his or her life.

Start your engines! Gilbert braces himself as he steps on the gas.

Two's company three's a crowd.

"Touch my car and die!"

Tonka and Ken are demonstrating automechanic techniques by washing Valerie's car.

"Wanna race!"

Amy is driving her brothers car as usual.

Lets go to Red Bluff. Two days later this truck was totaled.
