

Life Goes On

This years prom was filled with joy and sadness. Joy, because everyone had a great time. Sadness, because this will probably be the last prom for the seniors.

The prom was different from most of the other proms because Mr. Thomas and his Shop classes build their own South West Decor. The theme was "Life Goes On."

A variety of music, delicious food, and the pretty decorations made for an enjoyable evening.

Andy Soltero, Stephanie Maddux, and Sami Jones take a break from their dancing.

Melissa Hawkins seems to be a little nervous while entering the Grand March with her date Billy Plunkett.

Ana Miranda is escorted by Richard Aaron in the Grand March.

Desiree Moog and Trey Bustamante seem to be excited while entering the Grand March.

Jens Moog and his date Kristie are ready to dance to the theme song "Life Goes On."

Looks like Mrs. Thomas is saying, "Hurry up and get this thing over with, I want to dance already," while watching the Grand March.

This years servers for the Junior-Senior banquet were from left to right: Sharon Gonzalez, Felicia Compton, LaCosta Stanley, Staci Holly, Stephanie Maddux, and Lucy Valenzula.

Jimmy must be telling one of his jokes to get everyone's attention.

Richard and Melissa are paying more attention to the camera while the others wait for the theme song.

For some reason everyone is looking at Jimmy to start the dancing.

Leigh-Ann Powell is escorted by an ex-wildcat, John Paul Dodson.

Becky Kemp is escorted by her brother Lester Kemp.

Patricia Parham is escorted by Michael Sharp.

Melinda Smith is escorted by Ray Aaron.
