

# Hangouts

During the nights at Wink, Texas you can usually find most of the high school kids hanging out at Allusups. Some of them sit up at the high school parking lot and listen to music or watch people pass by on the drag. Sometimes you can find them at the gym swimming or lifting weights. After the home football games some of the students go to the victory dances.

DeDe, Misty and Janda are looking for dates, but failed.

Misty Dewell is amazed with Troy's lucky shot.

Stacy McGuire is trying to explain the game of tennis to Michael Rasco.

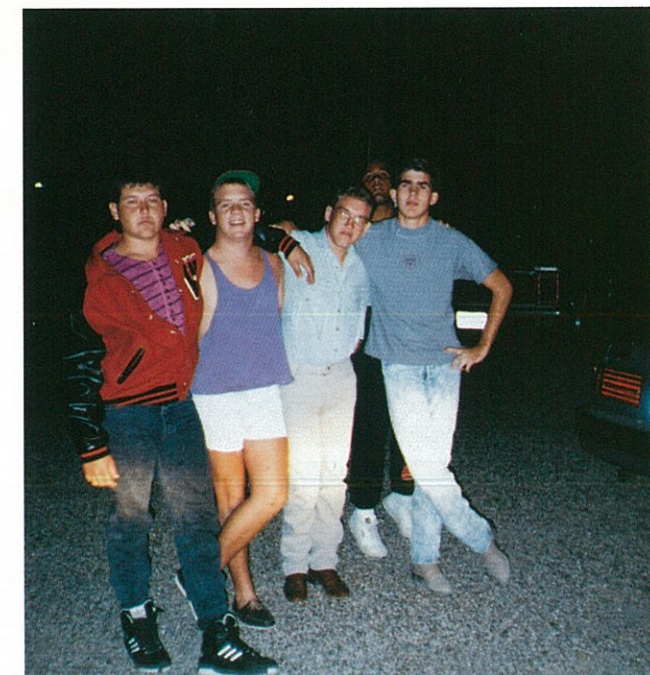

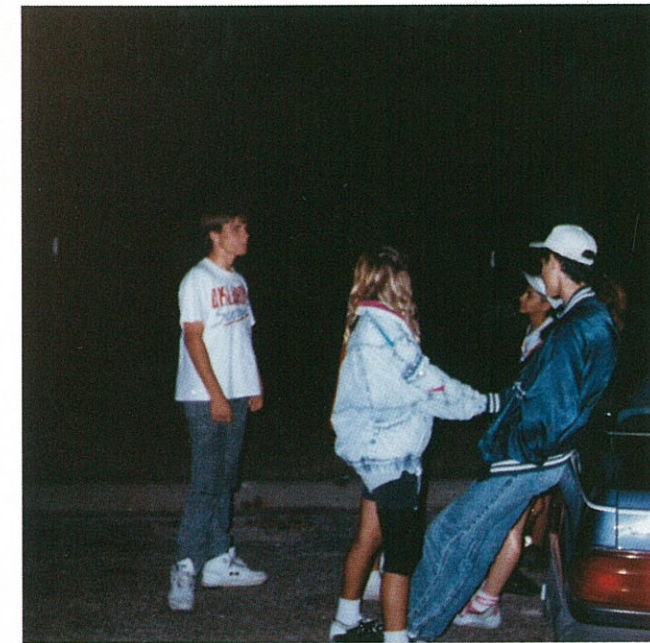

Brett Wolf and Troy Ratliff show off their hunting trophies.

Ray Aaron is finally getting his supper.

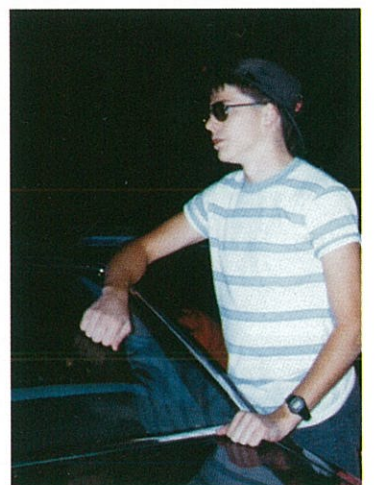

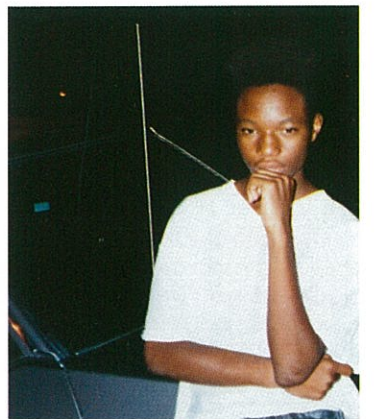

Micha Roundtree is left out from his friends.

Manuel, Jimmy, Shannon, and Billy are all trying to act cool.

Earth to Shawn.

Duh! Which way did he go?  
Where did everybody go?
