

Step Into The World Of Science And Math

Every student at Wink is required to take some math and science classes, others are here to prepare students for careers and college.

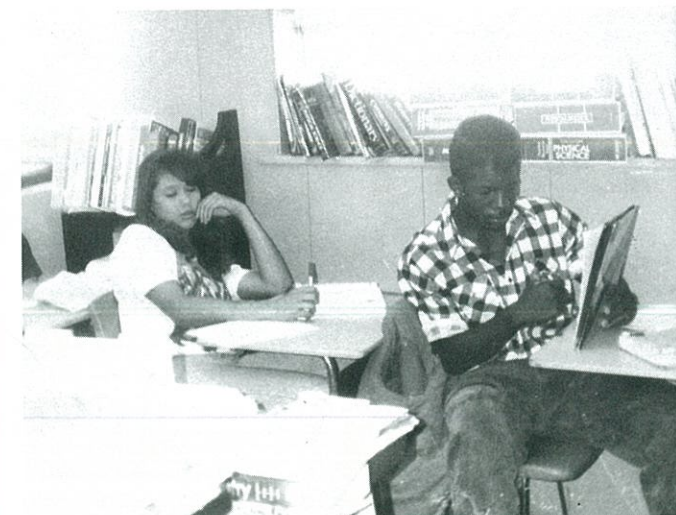

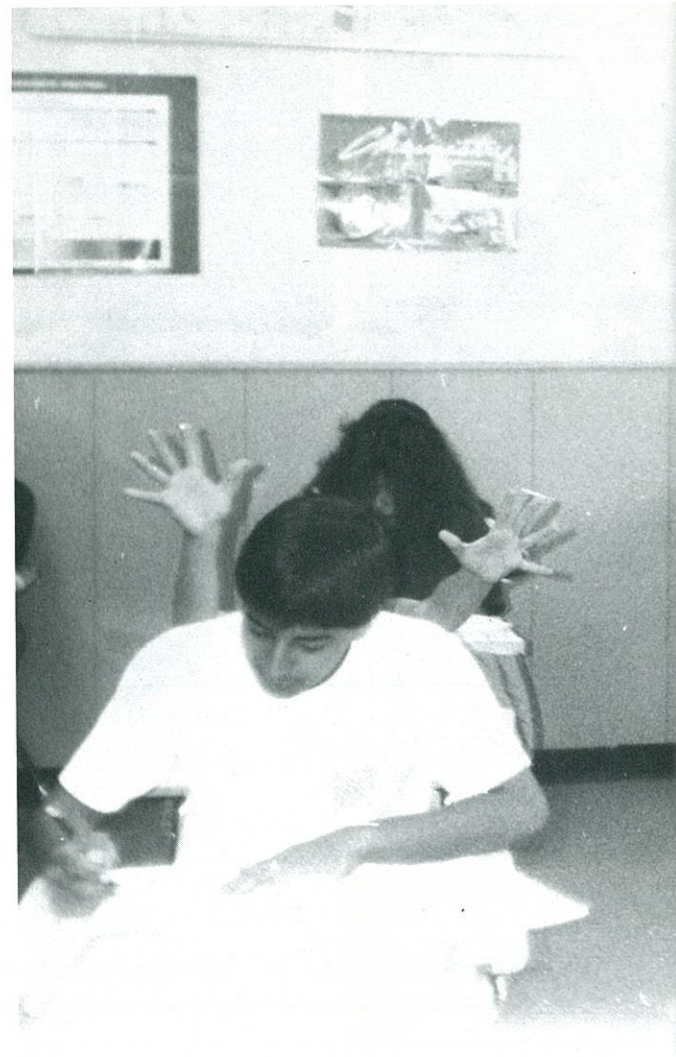

At Wink High School there are four science classes one can take. They are Physical Science, Biology, Physics, and Chemistry. The math classes are Geometry, F.O.M., Pre Algebra I, and Trig.

These classes will help enable students to perform different tasks all throughout their lives. These classes will also prepare them for college.

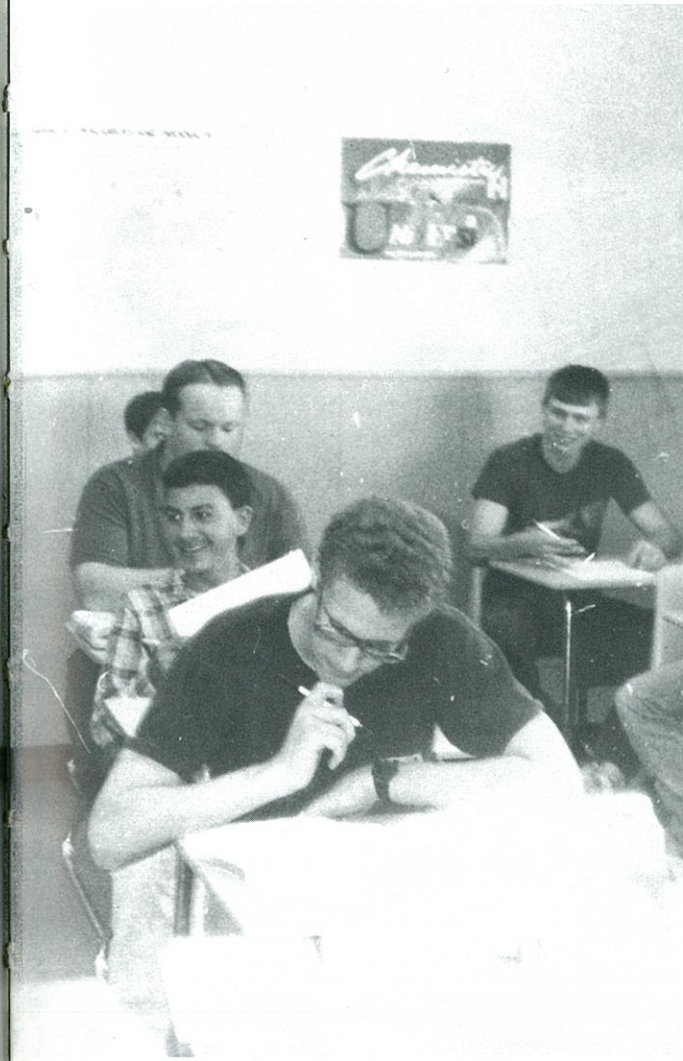

T. Gabe didn't eat his Wheaties this morning.

Look! Numbers

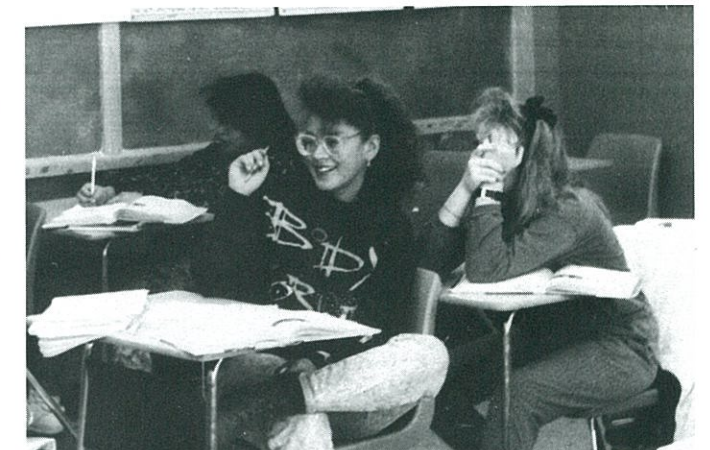

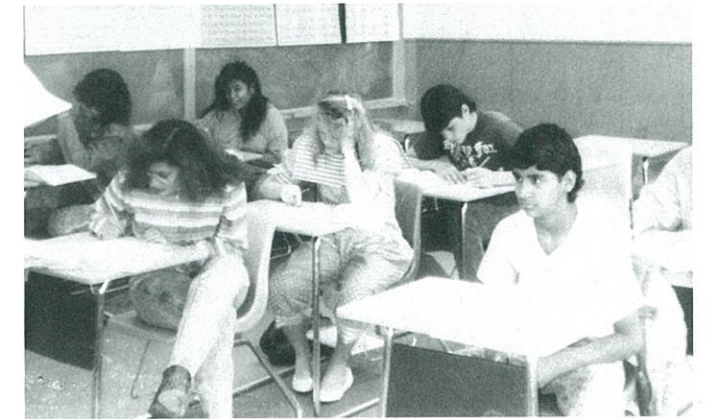

Coach Hill must be telling a joke.

Looks like Ana is the teacher for the day.

Look mom! Four hands!

Cesar says, "Girls can't live with them and can't live without them."

Stephanie must not have worn

Mr. Franklin the Genius of the Month in Wink.
