

A Step Above The Rest

The Wink School Board officers! Mr. Warren and Mrs. Warren are the secretaries, Mr. Jones is the President, and Mr. Treadwell is the Vice President.

The Wink school system does not run by itself, but with the help of workers from this community. The students are kept under control by the principals and the principals are able to keep their cool because of their loyal secretaries. The superintendent is the one that everyone runs to. His job is a very demanding one.

Just as the school system is held together by its workers, the workers are kept together by the board members. These board members have the responsibilities of making all the decision for our school, no matter what the outcome is.

With the leadership, dedication, and contribution of these people, our school is able to run as smoothly as it does.

Mr. Carrillo has taken on the roll of Elementary Principal and as you can see he does his job with a smile.

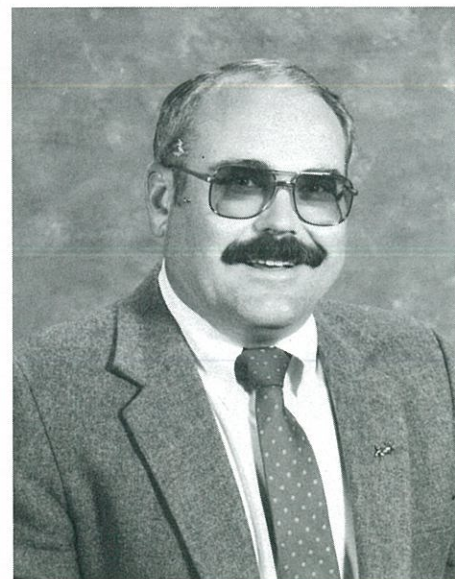

Mrs. Jacobsen is hard at work as High School secretary.

Mr. Watts started the school year as High School Principal and at the semester he also took over as the new Superintendent.

Mr. Bolf and Garfield taking time to pose for the camera.

Mr. Sollis takes time for one last smile before he hands in his resignation.

The Central office ladies always make time to smile when it comes to taking pictures. Here we have Mrs. Dossey, Mrs. Rippe, and Mrs. Bryan showing us their whites.

Mrs. Warren takes time to give Mrs. Franklin a few pointers.

Mrs. Cole gives us her award winning smile, along with all her help.

Mrs. Winn gives her presentation to a very attentive school board.
