

# Wildcats Rocked In 1991-92

Division 1 ... Best in class ... area champion ... regional track ... Six Flags ... Colorado trip ... Greatest Wildcat ... banquets ...

As the 1991-92 school year came to an end, students carried out the school slogan 'Together Everyone Achieves Miracles' (T.E.A.M.). The mighty Wildcats rocked right up to graduation night. The year came to a close with the Pee Wee track meet, selection of the Greatest Wildcat, banquets, end of school programs, senior trip, and the prom.

Even though many changes were made in faculty, expectations, and daily routines, students conquered the elements and made the year a great success. It seems like only yesterday when students were here for summer band and two-a-days for volleyball and football. Now, nine months later, it's all over. Graduates are left to their own devices, and returning students prepare for the upcoming year. The year flew by fast, but the Wildcats did rock in 1991-92.
