

Just A Swingin'

With just a few months of school left, golfers were "Just a Swingin'."

With many sun-filled days out on the Winkler County Golf Course, golfers worked hard on teeing off, putting, and shooting the range.

This year's golf team came in third following Rankin and Grandfalls in district. The golfers traveled to Rankin and Ft. Stockton for tournaments and ended the season by hosting a Wink tournament. Both the boys and girls teams had a senior or two, they were very young but they performed with a class act.

Shannon Parham bites her lip as she puts all her strength into a swing.

Michael Hinchliffe is just a swingin' on a cloudy afternoon at the course.

Members of the golf team from left to right: Trey Dennis, Wayne Davis, Donnie Plunkett, Chris Gober, Rog Dewell, Michael Hinchliffe, Coach Mike Brown. Kneeling: Ike Northcutt, Shannon Parham, Denise McGuire, Shari Bryant. Not pictured are Sami Jones and Mayra Valeriano.

Could Chris Gober be playing pool with his buddies or is he lining up a putt?

There were a few golfers
In this neighborhood
They were from Wink High School
They were really looking good.
They rode out to the course
To practice on their game
Ready for competition
To put #1 by their name.
And they were swingin',
Just a swingin'.
You could see their smiles
As they putted on the green
Who would of believed
They would be out there
A hole in one you see.
Just a swingin'.

Michael Hinchliffe poses for the camera as Coach Brown and Stephen Tidwell are hunger struck as they watch Chris Gober eat after a long day of practice.

Donnie Plunkett takes time out to nibble on his sucker before he starts practice.
