

Leaders Of The Pack

One In A Million National Honor Society

These kids were definitely one in a million. It takes a lot of hard work and dedication to become a member of NHS. Students had to show qualities of leadership, service, character and scholarship. All the hard work doesn't stop there though.

The members had to set good examples for other students in the school. They exhibited pride and class in school and away from school. NHS honored veterans on Veteran's Day with a program that explained the meaning of the flag and how people should respect it.

They ended the year with a trip to Dallas and Six Flags as a reward for their dedication and hard work to the society.

The student council started the year with a bang by having the freshmen sing for the student body the first day of school. Officers attended a summer workshop to polish up their leadership capabilities. This enabled the council to be more active during the 91-92 year. Members tried to promote school spirit by sponsoring dances after football games and having an all-school caroling hayride and wiener roast in the park. They sponsored a Santa Claus hotline and a Valentine's dance. Sami Jones and Rudy Salinas were crowned queen and king and Sally Carrillo and J.J. Lopez were princess and prince. The council proved themselves capable by promoting a positive attitude about school life and activities.

Officers for the 91-92 year were President, Rudy Salinas; Vice President, Shawn Bustamante; Recording Secretary, Levi Burrows; Corresponding Secretary, Geta Wilson and Treasurer Shannon Parham. Sponsor was Cheryl Baker.
