Junior high football players recorded a 5-3 season with wins over Grandfalls, Sanderson, Ft. Davis and losses to Rankin and Grandfalls. With an explosive offense the team scored a total of 187 points. Coach Michael Brown said about the offense, "They are an overall good team that executes their plays really well." The offensive team is assisted in execution because of their front line.

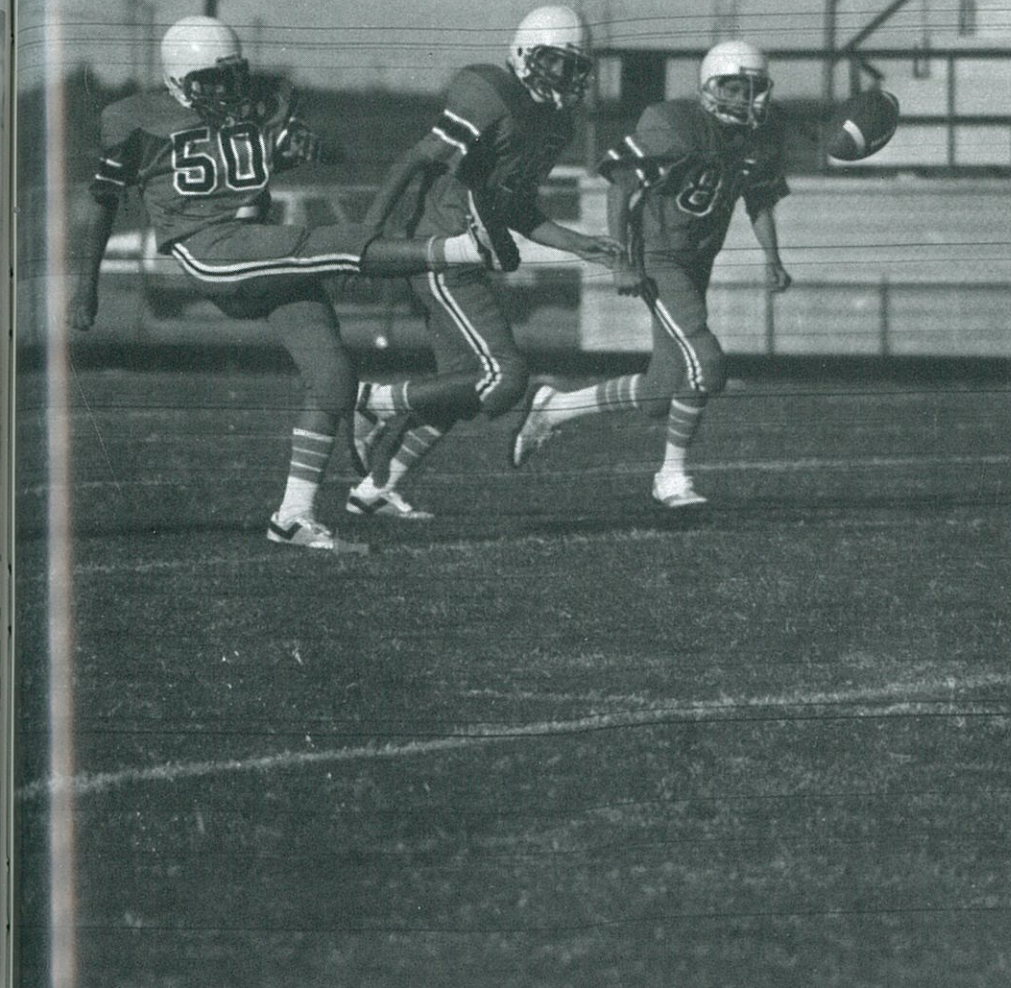

Starting quarterback Duncan Hamm said, "The hardest part of being a quarterback is knowing the plays and how everybody blocks and runs."

The defense has been able to stop any offense. Coach Danny Thomas said, "The defense can read the pass and tackle with force."
